Why Hares Have Long Ears

Once upon a time a hare met a goat and they became good friends. One day the goat said to the hare;

“Let’s build a house.”

“That’s a good idea,” answered the hare. “But we will need some wood.” And the hare raced off into the forest with goat behind him.

After a little while they came to a huge tree. The goat boasted:

“I am so strong I can knock this tree down.”

The hare said thoughtfully, “I am not sure you will be able to knock this tree down; it is very strong because it has deep roots.”

But the goat just laughed and said, “I will show you.”
